WE ARE CHANGING THE FEE ON OUTGOING WIRE TRANSFERS NOT REQUESTED ONLINE

Your relationship is important to us, and we are committed to keeping you informed about changes that may affect you.

Starting March 22, 2016:

For outgoing wire transfers NOT requested online (for example, in a branch) the fee will increase to:

- Domestic Wire Fee: \$35 per transfer
- International Wire Fee: \$50 per transfer

The fee for outgoing wires made via Chase Online(SM) and Chase Mobile(R) (only available for domestic wires) remains the same. Transfer limits apply. Savings accounts cannot be used to fund wire transfers initiated on Chase Online(SM) and Chase Mobile(R). Incoming wire transfer fees remain the same.

These fees are waived for the following products:

- Chase Client Funds Checking(SM)
- Trust accounts for lawyers and realtors (names vary by market)

All other terms and conditions of your Deposit Account Agreement still apply. If you have any questions, please call the number listed at the top of this statement.

We are changing our Overdraft Protection service in August 2016

We will simplify Overdraft Protection, a service that allows enrolled customers to avoid overdrawing a checking account by transferring money from a linked account.

Starting August 20:

- **Only a Chase business savings account or business line of credit** will be able to provide Overdraft Protection to a business checking account. A credit card cannot be used.
- **We will transfer the exact amount** needed to cover the transaction instead of multiples of \$50.
- **We will no longer charge the \$10 Overdraft Protection Transfer fee.**

As a reminder, a **\$5 Savings Withdrawal Limit Fee** may apply for each withdrawal or transfer over six per monthly statement period from your savings account, including withdrawals at a branch or at an ATM. *For Chase Business Select High Yield SavingsSM this fee is waived if there is a balance of \$15,000 or more in the account at the time of the withdrawal or transfer.*

If you have a credit card linked for Overdraft Protection, you have two options:

1. **Link to a business savings account or business line of credit instead** . Visit chase.com or talk to a banker to learn more. OR,
2. **Keep your current settings** , knowing that this could cause declined transactions and you may pay more fees when we remove the link to your credit card.

March 01, 2016 through March 31, 2016
Account Number: **000000939476602**

- Starting August 17, unless you have instructed us not to approve debit card purchases that overdraw your business account, you may have to pay a **\$34 Insufficient Funds Fee** each time we approve an everyday debit card transaction if your checking account can't cover your purchase. Through August 19, we will continue to transfer funds for transactions that would overdraw your account.
- Keep in mind our **Standard Overdraft Practice** will apply if your checking account does not have enough money available to cover a transaction. In that case, we may charge you a \$34 Insufficient Funds Fee or \$34 Returned Item Fee for each check, recurring payment or other transfer that is for more than the amount available in your account. Refer to your Deposit Account Agreement at chase.com for details on how your transactions work.

We waive one Insufficient Funds Fee or Returned Item Fee per monthly statement cycle for Chase Platinum Business CheckingSM accounts.

If you have questions, please visit chase.com or call the number listed at the top of your statement.
