We're making changes to our ATMs

Here's what you can expect:

- We will not charge you a fee when you make a cash deposit at an ATM. This means:
 - We will not include cash deposits made at our ATMs to the total cash you can deposit before you are charged a fee for cash deposits, and
 - Even after you exceed the total, we will not charge you a fee for cash deposited at an ATM.
- We're updating our ATMs and when you use one that's updated:
 - It will give you access to all of your linked business checking and savings accounts.
 - If a cardholder within your business has more than one Chase business debit or ATM card, they'll have a daily cardholder withdrawal limit that applies across all cards held by that cardholder. The maximum daily cardholder withdrawal limit is equal to the highest daily card withdrawal limit of any card the cardholder has with us. Withdrawals you make at any ATM other than a Staffed ATM count toward your daily cardholder withdrawal limit, regardless of the card you are using.

Also, starting November 21, 2016, you'll no longer be able to use personal identification to get a code from a branch employee so you can access your accounts at an ATM in a branch.

We've revised the Deposit Account Agreement to reflect these changes. You can get the latest Deposit Account Agreement on chase.com, at a branch or by request when you call us. The parts of the Deposit Account Agreement that are changing will be in the Change in Terms section.

We continue to look for ways to give you more flexibility at the ATM, so you may be hearing from us again about additional changes. If you have questions, please call the number on your statement.
