### WE ARE UPDATING OUR DEPOSIT ACCOUNT AGREEMENT

On March 14, 2016, we will publish an updated version of our Deposit Account Agreement so that it is easier to understand. The updated agreement will be available on chase.com, at a branch or by request when you call us.

Please read the entire document, paying special attention to these sections:

- Deposit Records and Receipts (page 3): If you deposit an amount that is higher or lower than what is on the deposit receipt, we are not required to adjust your account for discrepancies of \$10 or less. See below for the full paragraph that has changed.
- Linked Accounts (page 13): If the checking account linked to your other accounts closes, it is your responsibility to request any remaining eligible accounts to be linked
- Closing Your Account (page 13): We are not required to close your account if you have pending transactions, or if the account is overdrawn or subject to legal process.
- Research, Legal Process and Requests for Information (page 15): If a legal hold is in effect, we will continue to charge any applicable fees even though the account cannot be closed. We may also remove your Overdraft Protection if a hold is placed, but you may ask us to relink your accounts after the hold is removed.
- Preauthorized (Recurring) Transfers and Stop Payment (page 22): We explain how to stop payment on a recurring transfer or payment.

This is the updated paragraph that you will find in the Deposits Records and Receipts section: If you make a deposit, we may provide a receipt, but the amount on your deposit receipt is based entirely on the deposit slip you complete. We may confirm the funds you deposit and, after review, may adjust your account for any errors including any errors on your deposit slip. We are not required to adjust your account for discrepancies of \$10 or

less. We may not adjust your account unless you notify us of the discrepancy within one year of the date of your account statement that shows the deposit. If you do not notify us of the error during this notice period, the deposit amount will be considered final. This means that if the actual amount deposited was less than the amount declared on the deposit receipt, the difference will become your property and if the actual amount deposited was more than the amount deposited was more than the amount deposit receipt, the difference will

deposited was more than the amount declared on the deposit receipt, the difference will become our property.

Please call us at the number on this statement if you have any questions.
